

**AMENDED STOCKTON UNIFIED SCHOOL DISTRICT
COMMUNITY WORKFORCE AND TRAINING AGREEMENT**

INTRODUCTION/FINDINGS

This Amended Stockton Unified School District Community Workforce and Training Agreement (“Agreement”) is entered into this 29th day of January, 2025, by and between Stockton Unified School District (hereinafter the “District”), together with contractors and subcontractors of all tiers, who shall become signatory to this Agreement by signing the “Agreement to be Bound” (referred to herein as “Contractor(s)/Employer(s)”), and the San Joaquin Building and Construction Trades Council (referred to herein as “Council”) and its affiliated local Unions that have executed this Agreement (referred to herein as “Union” or “Unions”).

This Agreement amends and replaces the Stockton Unified School District Community Workforce and Training Agreement, dated February 11, 2020, (“February 2020 Agreement”). If there is any conflict between any provision of this Agreement and any provision of the February 2020 Agreement, the provision of this Agreement shall control.

The purpose of this Agreement is to promote the efficiency of construction operations for Stockton Unified School District through the use of skilled labor resulting in quality construction outcomes, and to provide for the peaceful settlement of labor disputes and grievances without strikes or lockouts, thereby promoting the public interest in assuring the timely and economical completion of the Project.

WHEREAS, the timely and successful completion of the Project is of the utmost importance to meet the needs of the District and avoid increased costs resulting from delays in construction; and

WHEREAS, the District places high priority upon the development of comprehensive programs for the recruitment, training and employment of local area residents and has identified the need and desire to prepare its students for lifelong careers and continuing education, and recognizes the ability of local apprenticeship programs to provide meaningful and sustainable careers in the building and construction industry;

WHEREAS, large numbers of workers of various skills will be required in the performance of the construction work and will be represented by the Unions signatory to this Agreement and employed by contractors and subcontractors who are also signatory to this Agreement; and

WHEREAS, the use of skilled labor on construction work increases the safety of construction projects as well as the quality of completed work; and

WHEREAS, it is recognized that on projects of this magnitude with multiple contractors and bargaining units on the job site at the same time over an extended period of time, the potential for work disruption may be substantial without an overriding commitment to maintain continuity of work; and

WHEREAS, the interests of the general public, the District, the Unions, and the Contractors/Employers would be best served if the construction work proceeded in an orderly

manner without disruption because of strikes, sympathy strikes, work stoppages, picketing, lockouts, slowdowns or other interferences with work; and

WHEREAS, the Contractors/Employers and the Unions desire to mutually establish and stabilize wages, hours and working conditions for the workers employed on the Project and to encourage close cooperation among the Contractors/Employers and the Unions so that a satisfactory, continuous and harmonious relationship will exist among the parties to this Agreement; and

WHEREAS, the parties agree that one of the primary purposes of this Agreement is to avoid the tensions that might arise on the Project if Union and non-union workers of different employers were to work side by side on the Project, potentially leading to labor disputes that could delay completion of the Project; and

WHEREAS, this Agreement is not intended to replace, interfere with, abrogate, diminish or modify existing local or national collective bargaining agreements in effect during the duration of the Project, insofar as a legally binding agreement exists between the Contractors/Employers and the Unions, except to the extent that the provisions of this Agreement are inconsistent with said collective bargaining agreements, in which event the provisions of this Agreement shall prevail; and

WHEREAS, the contract(s) for construction work on the Project will be awarded in accordance with the applicable provisions of the California State Public Contract Code and all state, local and federal laws; and

WHEREAS, the District has the absolute right to select the responsible bidder submitting the lowest responsive bid for the award of each construction contract for the Projects, or to reject all bid proposals, or to use other legal project delivery methodologies; and

WHEREAS, the parties to this Agreement pledge their full good faith and trust to work toward the mutually satisfactory completion of the Project;

NOW, THEREFORE, IT IS AGREED BETWEEN AND AMONG THE PARTIES HERETO, AS FOLLOWS:

Covered Work includes work done for the Project in temporary yards, dedicated sites, or areas adjacent to the Project, and at any on-site or off-site batch plant constructed solely to supply materials to the Project.

2.3.1. This Agreement applies to any start-up, calibration, commissioning, performance testing, repair, maintenance, and operational revisions to systems and/or subsystems for the Project performed after Completion, and which is covered by a Schedule A, unless performed by District employees.

2.3.2. This Agreement covers all on-site fabrication work over which the District, Contractor(s)/Employer(s), or subcontractor(s) possess the right of control (including work done for the Project in any temporary yard or area established for the Project). Additionally, this Agreement also covers any off-site work, including fabrication necessary for the Project defined herein, that is traditionally performed by any of the Unions and that is directly or indirectly part of the Project, provided such work is covered by a Master Agreement or local addenda to a national agreement of the applicable Union(s).

2.3.3. Except for the delivery of supplies, equipment or materials that are stockpiled for later use, this Agreement covers all construction trucking work, including the hauling and delivery of ready-mix, asphalt, aggregate, sand, soil or other fill or similar material that is directly incorporated into the construction process as well as the off-hauling of soil, sand, gravel, rocks, concrete, asphalt, excavation materials, construction debris and excess fill, material and/or mud shall be covered by the terms and conditions of this Agreement to the fullest extent

2.3.4. Work covered by this Agreement within the following craft jurisdictions shall be performed under the terms of their National Agreements as follows: the National Transient Lodge (NTL) Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, the National Agreement of Elevator Constructors, and any instrument calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for Instrument and Control Systems Technicians, with the exception that Articles 4, 14 and 15 of this Agreement shall apply to such work.

2.4. Exclusions: The following shall be excluded from the scope of this Agreement.

2.4.1. This Agreement is not intended to, and shall not, affect or govern the award of public works contracts by the District that are not included in the Project.

2.4.2. This Agreement shall not apply to a Contractor/Employer's non-construction craft executives, managerial employees, supervisors above the level of general foreman (except those covered by existing Master Agreements), and administrative and management personnel.

2.4.3. This Agreement shall not apply to any non-Project work performed on or near or leading to the site of work covered by this Agreement that is undertaken by state, county, city, or other governmental bodies or their contractors. Work performed by public or private utilities, including all electrical utility, voice-data-video, and security installation work ahead of and up to the electrical service entry connection or the main point of entry into the building, shall be excluded. All electrical utility, voice-data-video, and security installation work performed after the electrical utility service entrance or the main point of entry shall be Covered Work. Additionally, all contracted work performed ahead of the service entrance connection and main point of entry that is inside the property line that provides for access to the building via a conduit or series of conduits shall be Covered Work.

2.4.4. This Agreement shall not apply to off-site maintenance of leased equipment and on-site supervision of such work.

2.4.5. The District shall not be required to comply with this Agreement for any work performed with its own forces as permitted by the Public Contract Code.

2.4.6. In limited circumstances requiring special knowledge of the particular item(s), the installation of specialty process equipment or systems may be performed by employees of a manufacturer, or by designated representatives of the manufacturer, if necessary to maintain the manufacturer's warranty or guarantee, provided, however, that the manufacturer can demonstrate by an enumeration of specific tasks that the work cannot be performed by craft workers covered by this Agreement. All such work shall be identified and discussed at the Pre-

Construction Conference as provided in Article 5 of this Agreement.

2.5. Award of Contracts: It is understood and agreed that the District has the right to select any qualified bidder for the award of Construction Contracts under this Agreement. The bidder need only be willing, ready and able to execute and comply with this Agreement. It is further agreed that this Agreement shall be included in all invitations to bid or solicitations for proposals from contractors or subcontractors for work on the Project that are issued on or after the effective date of this Agreement. A copy of all invitations to bid shall be provided at time of issuance to the Council.

2.6. It is understood by the parties that the District may, at any time, and at its sole discretion, combine, consolidate or modify and/or not build any one or more of the particular Projects covered by this Agreement and, with mutual agreement of the negotiating parties to this Agreement, determine to build additional projects under this Agreement not currently covered by this Agreement. In addition, the District may, at any time, at its sole discretion, terminate, delay and/or suspend any or all portions of work covered by this Agreement. However, should the District remove any work, contract, or Project and thereafter authorize that work, contract, or Project to be commenced, then such work, contract, or Project shall be performed under the terms of this Agreement.

2.7. This Agreement shall apply only to work performed with respect to the Project and shall have no application to any other construction work awarded by the District that is not part of the Project, or that takes place prior to the effective date of this Agreement as set forth in Section 19.2.

2.8. Nothing contained herein shall be construed to prohibit, restrict or interfere with the performance of any non-Project operation, work, or function which may occur at the Project site or be associated with the development of the Project. Upon the filing of a Notice of Completion, the work is no longer covered by this Agreement except when the Contractor engages in repairs, warranty work or modifications as required by its Construction Contract with the District.

ARTICLE 3. **EFFECT OF AGREEMENT**

3.1. By executing this Agreement, the Council, the Unions and the District agree to be bound by each and all of the provisions of the Agreement.

3.2. By accepting the award of work under a Construction Contract for the Project, whether as a Contractor or subcontractor thereunder, each Contractor/Employer agrees to be bound by each and every provision of this Agreement and agrees to evidence its acceptance prior to the commencement of work by executing the Agreement to be Bound in the form attached hereto as Addendum A.

3.3. At the time that any Contractor/Employer enters into a subcontract with any

subcontractor providing for the performance of work under a Construction Contract, the Contractor/Employer shall provide a copy of this Agreement to said subcontractor and shall require the subcontractor, as a condition of accepting the award of a construction subcontract, to agree in writing, by executing the Agreement to be Bound, to be bound by each and every provision of this Agreement prior to the commencement of work. The obligations of a Contractor may not be evaded by subcontracting. If the subcontractor refuses to execute the Agreement to be Bound, then such subcontractor shall not be awarded a Construction Contract on the Project.

3.4. This Agreement shall only be binding on the signatory parties hereto and their successors and assigns, and shall not apply to the parents, affiliates, subsidiaries, or other ventures of any such party. Each Contractor/Employer shall alone be liable and responsible for its own individual acts and conduct and for any breach or alleged breach of this Agreement, except as otherwise provided by law or the applicable Master Agreement. Any dispute between the Union(s) and the Contractor(s)/Employer(s) with respect to compliance with the terms of this Agreement shall not affect the rights, liabilities, obligations and duties between the Union(s) and other Contractor(s)/Employer(s) party to this Agreement.

3.5. It is mutually agreed by the parties that any liability by a Union signatory to this Agreement shall be several and not joint. Any alleged breach of this Agreement by a Union shall not affect the rights, liabilities, obligations and duties between the Contractor(s)/Employer(s) and the other Union(s) party to this Agreement.

3.6. The provisions of this Agreement, including the Schedule As incorporated herein by reference, shall apply to the work covered by this Agreement, notwithstanding the provisions of any other local, area and/or national agreements which may conflict with or differ from the terms of this Agreement. To the extent a provision of this Agreement is inconsistent with a Schedule A, the provisions of this Agreement shall prevail. Where a provision of a Schedule A is not inconsistent with this Agreement, the provision of the Schedule A shall apply.

ARTICLE 4.

WORK STOPPAGES, STRIKES, SYMPATHY STRIKES AND LOCKOUTS

4.1. The Unions, the District, and the Contractor(s)/Employer(s) covered by this Agreement agree that for the duration of the Project:

4.1.1. There shall be no strikes, sympathy strikes, work stoppages, picketing, hand billing or otherwise advising the public that a labor dispute exists, or slowdowns of any kind, for any reason, by the Unions or employees employed on the Project, at the job site of the Project or at any other facility of the District because of a dispute on the Project. Disputes arising between the Unions and Contractor(s)/ Employer(s) on other District projects are not governed by the terms of the Agreement or this Article.

4.1.2. There shall be no lockout of any kind by a Contractor/Employer of workers employed on the Project.

4.1.3. If a Master Agreement expires before the Contractor/Employer completes the performance of work under a Construction Contract and the Union or Contractor/Employer gives notice of a demand for a new or modified Master Agreement, the Union agrees that it will not strike on work covered by this Agreement and the Union and the Contractor/Employer agree that the expired Master Agreement will continue in full force and effect for work covered under this Agreement until a new or modified Master Agreement is reached. If the new or modified Master Agreement provides that any terms of the Master Agreement shall be retroactive, the Contractor/ Employer agrees to comply with any retroactive terms of the new or modified Master Agreement that are applicable to any employee(s) on the Project during the interim, with retroactive payment due within seven (7) calendar days of the effective date of the new or modified Master Agreement.

4.1.4. In the case of nonpayment of wages or trust fund contributions on the Project, the Union shall give the District and the Contractor/Employer three (3) business days' notice when nonpayment of trust fund contributions has occurred, and one (1) business days' notice when nonpayment of wages has occurred or when paychecks being tendered to a financial institution normally recognized to honor such paychecks will not honor such paycheck as a result of insufficient funds, of the intent to withhold labor from the Contractor/Employer's or their subcontractor's workforce, during which time the Contractor/Employer may correct the default. In this instance, a Union's withholding of labor (but not picketing) from a Contractor/Employer who has failed to pay its fringe benefit contributions or failed to meet its weekly payroll shall not be considered a violation of this Article.

4.1.5. Notification: If the District contends that any Union has violated this Article, it will so notify, in writing, the Senior Executive of the Council and the Senior Executive of the Union, setting forth the facts alleged to violate the Article, prior to instituting the expedited arbitration procedure set forth below. The Council will immediately use its best efforts to cause the cessation of any violation of this Article. The leadership of the Union will immediately inform the workers of their obligations under this Article. A Union complying with this obligation shall not be held responsible for unauthorized acts of employees it represents.

4.2. Expedited Arbitration: Any party to this Agreement shall institute the following procedure, prior to initiating any other action at law or equity, when a breach of this Article is alleged to have occurred.

4.2.1. A party invoking this procedure shall notify Robert Hirsch, as the permanent arbitrator, or Barry Winograd, as the alternate arbitrator under this procedure. In the event the permanent arbitrator is unavailable at any time, the alternate will be contacted. If neither is available, the parties shall select the arbitrator from the list in Section 14.4. Notice to the arbitrator shall be by the most expeditious means available, with notice by email and telephone to the District and the party alleged to be in violation, and to the Council and involved local Union if a Union is alleged to be in violation.

4.2.2. Upon receipt of said notice, the District will contact the permanent arbitrator named above, or the alternate if the permanent arbitrator is not available, who will attempt to

convene a hearing within twenty-four (24) hours if it is contended that the violation still exists.

4.2.3. The arbitrator shall notify the parties by email and telephone of the place and time for the hearing. Said hearing shall be completed in one session, which, with appropriate recesses at the arbitrator's discretion, shall not exceed twenty-four (24) hours unless otherwise agreed upon by all parties. A failure of any party to attend said hearings shall not delay the hearing of evidence or the issuance of an award by the arbitrator.

4.2.4. The sole issue at the hearing shall be whether or not a violation of Section 4.1 of the Agreement has occurred. The arbitrator shall have no authority to consider any matter of justification, explanation or mitigation of such violation or to award damages, which issue is reserved for court proceedings, if any. The award shall be issued in writing within three (3) hours after the close of the hearing and may be issued without a written opinion. If any party desires a written opinion, one shall be issued within fifteen (15) calendar days, but the parties shall not delay compliance with or enforcement of the award due to the issuance of a written opinion. The arbitrator may order cessation of the violation of this Article and other appropriate relief and such award shall be served on all parties by hand or registered mail upon issuance. Should a party found in violation of this Article fail to comply with an arbitrator's award to cease the violation, the party in violation shall pay to the affected party as liquidated damages the sum of ten thousand dollars (\$10,000.00) per shift for which it failed to comply, or portion thereof, until such violation is ceased. The arbitrator shall retain jurisdiction to resolve any disputes regarding the liquidated damages claimed under this section.

4.2.5. Such award may be enforced by any court of competent jurisdiction upon the filing of this Agreement and all other relevant documents referred to above in the following manner. The party filing such enforcement proceedings shall give written notice to the other party. In the proceeding to obtain a temporary order enforcing the arbitrator's award as issued under this Article, all parties waive the right to a hearing and agree that such proceedings may be ex parte. Such agreement does not waive any party's right to participate in a hearing for a final order of enforcement. The Court's order or orders enforcing the arbitrator's award shall be served on all parties by hand or delivered by certified mail.

4.2.6. Any rights created by statute or law governing arbitration proceedings inconsistent with the above procedure, or which interfere with compliance, are waived by the parties.

4.2.7. The fees and expenses of the arbitrator shall be divided equally between the party instituting the arbitration proceedings provided in this Article and the party alleged to be in breach of its obligation under this Article.

4.2.8. Should either the permanent or the alternate arbitrator identified above no longer work as a labor arbitrator, the District and the Council shall mutually agree to a replacement.

ARTICLE 5. **MARK UP MEETINGS**

5.1. Timing: The Project Manager shall convene and conduct, at a location and time mutually agreeable to the Council, a pre-job mark-up meeting with the Unions and with representatives of all involved Contractors/Employers, who shall be prepared to announce craft assignments and to discuss in detail the scope of work and the other issues set forth below, at least fourteen (14) calendar days prior to:

5.1.1. The commencement of any Project work, and

5.1.2. The commencement of Project work on each subsequently awarded Construction Contract.

5.2. The mark up meeting shall be attended by a representative of each participating Contractor and each affected Union, and the Council and District may attend at their discretion.

5.3. The mark up meeting shall include but not be limited to the following subjects:

5.3.1. A listing of each Contractor's scope of work;

5.3.2. The craft assignments;

5.3.3. The estimated number of craft workers required to perform the work;

5.3.4. Transportation arrangements;

5.3.5. The estimated start and completion dates of the work; and

5.3.6. Discussion of pre-fabricated materials.

5.4. Joint Administrative Committee: In order to ensure the terms of this Agreement are being fulfilled and all concerns pertaining to the District, the Unions and the Contractors are addressed, the parties may, upon mutual agreement, establish a Joint Administrative Committee comprised of one (1) representative from the District, one (1) representative from the General Contractor, Project Manager, or equivalent, and two (2) representatives of the Council and the Unions. The Joint Administrative Committee shall meet at least annually to assess the implementation of this Agreement, review the progress of the Projects, and facilitate harmonious relations between the parties. Any member of the Joint Administrative Committee shall have the right to call a meeting. Regardless of whether a Joint Administrative Committee is formed, the General Contractor, Project Manager, or equivalent, the District and the Council, shall have the right to call a meeting of the appropriate parties to ensure the terms of this Agreement are being fulfilled.

ARTICLE 6. **NO DISCRIMINATION**

6.1. The Contractors/Employers and the Unions agree to comply with all nondiscrimination provisions of federal, state and local law, to protect employees and applicants for employment, on the Project.

ARTICLE 7. **UNION SECURITY**

7.1. The Contractors/Employers recognize the Unions as the sole bargaining representative of all craft employees working within the scope of this Agreement and a Union will represent such employees for the duration of their employment on the Project.

7.2 The Contractors/Employers shall make and transmit all deductions for Union dues, fees, and assessments that have been authorized by employees in writing in accordance with the applicable Master Agreement. This Agreement does not require any employee of a non-Union contractor to join a Union or to pay dues or fees to a Union as a condition of working on the Project; however, nothing in this Article is intended to supersede the requirements of the applicable Master Agreements as to Contractors/Employers signatory to such Master Agreements and as to employees of those Contractors/Employers who are performing Covered Work.

7.3 Authorized representatives of the Unions shall have access to the Project whenever work covered by this Agreement is being, has been, or will be performed on the Project.

ARTICLE 8. **REFERRAL**

8.1. Union Referral System: The Unions shall be the primary source of all craft labor employed on the Project(s). Contractors shall be bound by and utilize the registration facilities and referral systems established or authorized by the Unions when such procedures are not in violation of applicable law. The Contractors shall have the right to determine the competency of all employees and may reject any referral for any reason provided that the Contractor complies with Article 6 [No Discrimination] and in accordance with the applicable Schedule A.

8.2. Key Work Force: Contractors that are not signatory to a Union Master Agreement may utilize their own "Key Workforce" subject to these conditions.

8.2.1. A Contractor may request by name, and the local Union will honor, referral of key workforce employees as journeymen who have applied to the local Union for Project work and who demonstrate to the local Union dispatcher and provide satisfactory proof of all of the following qualifications:

8.2.1.1. possess each license(s) required by state or federal law for the Project work to be performed;

8.2.1.2. have worked a total of at least four thousand (4,000) hours in the appropriate construction craft;

8.2.1.3. were on the Contractor's active payroll for at least ninety (90) out of the one hundred twenty (120) working days prior to the contract award;

8.2.1.4. be a resident of the City of Stockton or, if no City of Stockton resident is available, be a resident of San Joaquin County; and

8.2.1.5. have the ability to perform safely the basic functions of the applicable trade.

8.2.2. An employee shall be considered a member of a Contractor's "Key Workforce" if the employee satisfies the qualifications set forth in Section 8.2.1. At the request of a Union, a Contractor employing a Key Workforce employee shall demonstrate to the satisfaction of the Project Manager (or the District's Authorized Representative) that such employee is properly classified as a member of its Key Workforce. Copies of cancelled paychecks, certified payrolls, or official information submitted for withholding tax purposes, covering the relevant dates, shall be presumptive evidence of proper key workforce designation. Key Workforce employees shall be referred through the appropriate hiring hall on a call-by-name basis for the purpose of expediting the completion of all necessary dispatch and trust fund forms prior to starting work on the Project.

8.2.3. The number of Key Workforce employees that may be utilized by a Contractor are as follows:

8.2.3.1. On Projects where either the engineer's estimate of the total cost of the Project or the actual cumulative bid amounts submitted by the contractor(s) awarded Construction Contracts for the Project is above the threshold set forth in Section 1.9 but under two million dollars (\$2,000,000), a maximum of two (2) Key Workforce employees may be utilized.

8.2.3.2. On Projects where either the engineer's estimate of the total cost of the Project or the actual cumulative bid amounts submitted by the contractor(s) awarded Construction Contracts for the Project is above two million dollars (\$2,000,000) but under twenty million dollars (\$20,000,000), a maximum of three (3) Key Workforce employees may be utilized.

8.2.3.3. On Projects where either the engineer's estimate of the total cost of the Project or the actual cumulative bid amounts submitted by the contractor(s) awarded Construction Contracts for the Project is above twenty million dollars (\$20,000,000), a maximum of four (4) Key Workforce employees may be utilized.

8.2.4. The Unions will refer to such Contractor one employee from the hiring hall out of work list for each affected craft and will then refer one of the Contractor's Key Workforce employees. The alternating referral process then will be repeated, until the maximum number of Key Workforce employees permitted on the Project have been hired, after which point hiring will be done in accordance with Section 8.1 above. Employees shall be laid off in the same one-for-one manner in inverse order of their hiring.

8.2.5. In the event the alternating referral process yields an insufficient number of apprentice program graduates to meet the applicable skilled and trained workforce participation requirements under Public Contract Code section 2601, then the hiring of the Contractor's Key Workforce employees shall be limited as necessary in order to meet the participation requirements

8.3. Contractor(s)/Employer(s) shall have the unqualified right to select and hire directly all supervisors above the level of general foreman it considers necessary and desirable, without such persons being referred by the Union(s) (unless such craft construction employee is covered by an existing Master Agreement).

8.4. In the event that referral facilities maintained by the Union(s) are unable to fill the requisition of a Contractor/Employer for employees within a forty-eight (48) hour period (Saturdays, Sundays and Holidays excluded) after such requisition is made by the Contractor/Employer, the Contractor/Employer shall be free to obtain the worker(s) from any source. A Contractor/Employer who hires a worker(s) to perform Covered Work on the Project pursuant to this section shall immediately provide the appropriate Union with the name and address of such worker(s) and shall immediately refer such worker(s) to the appropriate Union to satisfy the requirements of Article 7 of this Agreement.

ARTICLE 9.

LOCAL RESIDENTS & WORK OPPORTUNITIES PROGRAMS

9.1. Local Residents. The Parties to this Agreement support the development of increased numbers of skilled construction workers from among local residents to meet the labor needs of the Project, specifically, and the requirements of the local construction industry generally. Towards that end, the Parties agree to cooperate respecting the establishment of a work opportunities program for local residents, the primary goals of which shall be to maximize construction work opportunities for traditionally underrepresented members of the community. In furtherance of the foregoing, the Unions specifically agree to the following:

9.1.1. In order to increase pathways to construction job opportunities for District students and graduates, the parties shall develop a Construction Careers Program which shall be more fully described in a separate memorandum of understanding.

9.1.2. The parties shall encourage the referral and utilization, to the extent permitted by law and hiring hall practices, of qualified local residents as journeymen and apprentices on the Project, and entrance into such qualified apprenticeship and training programs as may be operated by the Unions.

9.1.3. It is the objective of the parties that no less than twenty-five percent (25%) of all hours worked on the Project will be worked by residents of the local area. The Unions will exert their utmost efforts to recruit sufficient numbers of skilled craft persons to fulfill the referral requirements of the Contractor(s)/Employer(s). The Contractors shall therefore employ or request for referral from the Union hiring hall a resident of the City of Stockton, first, and if a City of

Stockton resident is not available, a resident of San Joaquin County. To the extent allowed by law, and consistent with the Unions' hiring hall provisions, as long as they possess the requisite skills and qualifications, residents of the local area, including journeymen and apprentices, shall be referred for Project work covered by this Agreement.

ARTICLE 10. **WAGES AND BENEFITS**

10.1. The Contractors/Employers agree to pay contributions to the vacation, pension and/or other form of deferred compensation plan, apprenticeship, worker protection and assistance, and health benefit funds established by the applicable Master Agreement(s) for each hour worked on the Project, in the amounts designated in the Master Agreement(s) of the applicable local Union(s).

10.2. By signing this Agreement, the Contractors/Employers adopt and agree to be bound by the written terms of the legally established Trust Agreements described in Section 10.1, which may from time to time be amended, specifying the detailed basis on which payments are to be made into, and benefits paid out of, such Trust Funds. The Contractors/Employers authorize the parties to such local Trust Agreements to appoint trustees and successor trustees to administer the Trust Funds and hereby ratify and accept the trustees so appointed as if made by the Contractors/Employers. The Contractors/Employers agree to execute a separate subscription agreement(s) when such Trust Fund(s) requires such document(s).

10.3. Wages, Hours, Terms and Conditions of Employment: The wages, hours and other terms and conditions of employment on the Project shall be governed by the Master Agreement of the respective craft, to the extent such Master Agreement is not inconsistent with this Agreement. Where a subject is covered by the Master Agreement and not covered by this Agreement, the Master Agreement will prevail. When a subject is covered by both the Master Agreement and this Agreement, to the extent there is any inconsistency, this Agreement will prevail.

10.4. Holidays: Holidays shall be as set forth in the applicable Master Agreement.

ARTICLE 11. **APPRENTICES**

11.1. Recognizing the need to develop adequate numbers of competent workers in the construction industry, the Contractors/Employers shall employ apprentices from a California state-approved Joint Apprenticeship Training Program in the respective crafts to perform such work as is within their capabilities and that is customarily performed by the craft in which they are indentured.

11.2. The apprentice ratios will be in compliance with the provisions of the California Labor Code and the applicable state prevailing wage determination.

11.3. Consistent with the Master Agreements, there shall be no restriction on the

utilization of apprentices in performing the work of their craft, provided they are properly supervised.

ARTICLE 12. **HELMETS TO HARDHATS**

12.1. The Contractors/Employers and Unions recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building and construction industry. The Contractors/Employers and Unions agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter "Center") and the Center's "Helmets to Hardhats" program to serve as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties.

12.2. The Unions and Contractors/Employers agree to coordinate with the Center to participate in an integrated database of veterans interested in working on the Project and of apprenticeship and employment opportunities for this Project. To the extent permitted by law, the Unions will give credit to such veterans for bona fide, provable past experience.

ARTICLE 13. **COMPLIANCE**

13.1. It shall be the responsibility of the Contractors/Employers and Unions to investigate and monitor compliance with the provisions of Article 10 of this Agreement. Nothing in this Agreement shall be construed to interfere with or supersede the usual and customary legal remedies available to the Unions and/or employee benefit Trust Funds to collect delinquent Trust Fund contributions from Contractors/Employers on the Projects covered by this Agreement. Because the Projects are public works subject to the California Labor Code, the District will monitor and enforce compliance with state prevailing wage requirements as well as the Contractors/Employers' compliance with this Agreement.

13.2. Skilled and Trained Workforce Requirements: Contractor/Employers understand that with regard to both lease-leaseback projects (Education Code section 17406, et. seq.) and design-build projects (Education Code section 17250.10, et. seq.) they are required to comply with the skilled and trained workforce requirements set forth in Public Contract Code section 2601.

ARTICLE 14. **GRIEVANCE ARBITRATION PROCEDURE**

14.1. Project Labor Disputes: All disputes involving the application or interpretation of a Master Agreement to which a Contractor/Employer and a Union are parties shall be resolved pursuant to the resolution procedures of the Master Agreement. All disputes relating to the interpretation or application of this Agreement, other than disputes under Article 4 and Article 14, shall be subject to resolution by the grievance arbitration procedures set forth in this Article.

14.2. Employee Discipline: All disputes involving the discipline and/or discharge of an employee working on the Project shall be resolved through the grievance and arbitration provisions contained in the Master Agreement for the craft of the affected employee. No employee working on the Project shall be disciplined or discharged without just cause.

14.3. No grievance shall be recognized unless the grieving party (Union or District Council on its own behalf, or on behalf of an employee whom it represents, or a Contractor/Employer on its own behalf) provides notice in writing to the party with whom it has a dispute within five (5) business days after becoming aware of the dispute but in no event more than thirty (30) business days after it reasonably should have become aware of the event giving rise to the dispute. Time limits may be extended by mutual agreement of the parties.

14.4. Grievances shall be settled according to the following procedures:

Step 1: Within five (5) business days after the receipt of the written notice of the grievance, the representative of the involved Union or District Council, or his/her designee, and the representative of the involved Contractor/Employer, shall confer and attempt to resolve the grievance.

Step 2: If the grievance is not resolved at Step 1, within five (5) business days of the Step 1 meeting or the conclusion of efforts to resolve the grievance at Step 1, the alleged grievance may be referred in writing by either involved party to the Business Manager(s) of the affected Union(s) involved and the Labor Relations Manager of the Contractor/Employer, or the Contractor/Employer's designated representative, for discussion and resolution. This time limit may be extended by mutual consent of both parties. Regardless of which party has initiated the grievance, the Union shall notify its International Union representative prior to the Step 2 meeting, and the International Union representative shall advise if it intends to participate in the Step 2 meeting. The Project Manager and the Council shall have the right to participate in any efforts to resolve the dispute at Step 2.

Step 3: If the grievance is not resolved at Step 2, either party may request the dispute be submitted to arbitration within five (5) business days of the Step 2 meeting or the conclusion of efforts to resolve the grievance at Step 2. This time limit may be extended by mutual consent of both parties. Within five (5) business days after referral of a dispute to arbitration, the representatives shall notify the permanent arbitrator designated in Article 4, or if not available, the alternate arbitrator designated in Article 4, for final and binding arbitration. If the permanent arbitrator or the alternate is not available, an arbitrator shall be selected by the alternate striking method from the list of three (3) below. The order of striking names from the list of arbitrators shall be determined by a coin toss, the winner of which shall decide whether they wish to strike first or second.

1. William Riker
2. Morris Davis
3. Carol Vendrillo

14.5. The decision of the Arbitrator shall be final and binding on all parties. The Arbitrator shall have no authority to change, amend, add to or detract from any of the provisions of the Agreement. The expense of the Arbitrator shall be borne equally by both parties. The Arbitrator shall arrange for a hearing on the earliest available date from the date of his/her selection. A decision shall be given to the parties within five (5) calendar days after completion of the hearing unless such time is extended by mutual agreement. A written opinion may be requested by a party from the presiding Arbitrator.

14.6. The time limits specified at any step of the grievance procedure may be extended by mutual agreement of the parties. However, failure to process a grievance, or failure to respond in writing within the time limits provided above, without an agreed upon extension of time, shall be deemed a waiver of such grievance without prejudice, or without precedent to the processing and/or resolution of like or similar grievances or disputes.

14.7. In order to encourage the resolution of disputes and grievances at Steps 1 and 2 of this grievance procedure, the parties agree that such settlements shall not be precedent setting.

14.8. **Retention**: At the time a grievance is submitted under this Agreement or any Master Agreement, the Union(s) may request that the District withhold and retain an amount from what is due and owing to the Contractor(s) against whom the grievance is filed, or its higher-tier Contractor, sufficient to cover the damages alleged in the grievance, should the Union(s) prevail. The amount shall be retained by the District until such time as the underlying grievance giving rise to the retention is withdrawn, settled, or otherwise resolved, and the retained amount shall be paid to whomever the parties to the grievance shall decide, or to whomever an Arbitrator shall so order.

14.9. Should any of the arbitrators listed in this Article or Article 4 no longer work as a labor arbitrator, the District and the Council shall mutually agree to a replacement.

ARTICLE 15.

WORK ASSIGNMENTS AND JURISDICTIONAL DISPUTES

15.1. The assignment of Covered Work will be solely the responsibility of the Employer performing the work involved; and such work assignments will be in accordance with the Plan for the Settlement of the Jurisdictional Disputes in the Construction Industry (the "Plan") or any successor Plan.

15.2. All jurisdictional disputes on this Project between or among the building and construction trades Unions and the Employers parties to this Agreement, shall be settled and adjusted according to the present Plan established by the Building and Construction Trades Department or any other plan or method of procedure that may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final, binding and conclusive on the Employers and Unions parties to this Agreement.

15.3. If a dispute arising under this Article involves the Northern California Carpenters Regional Council or any of its subordinate bodies, an Arbitrator shall be chosen by the procedures

specified in Article 5, Section 5 of the Plan from a list composed of John Kagel, Thomas Angelo, Robert Hirsch and Thomas Pagan, and the Arbitrator's hearing on the dispute shall be held at the offices of the California State Building and Construction Trades Council in Sacramento, California, within fourteen (14) calendar days of the selection of the Arbitrator. All other procedures shall be as specified in the Plan.

15.4. All jurisdictional disputes shall be resolved without the occurrence of any strike, work stoppage, or slow-down of any nature, and the Employer's assignment shall be adhered to until the dispute is resolved. Individual employees violating this section shall be subject to immediate discharge. Each Employer will conduct a pre-job conference with the Council prior to commencing work. The District and the Project Manager will be advised in advance of all such conferences and may participate if they wish. Pre-job conferences for different Employers may be held together.

ARTICLE 16. **MANAGEMENT RIGHTS**

16.1. Consistent with the Schedule A agreements, the Contractors/Employers shall retain full and exclusive authority for the management of their operations, including the right to direct their work force in their sole discretion. No rules, customs or practices shall be permitted or observed which limit or restrict production, or limit or restrict the working efforts of employees, except that lawful manning provisions in the Master Agreement shall be recognized.

ARTICLE 17. **DRUG AND ALCOHOL TESTING**

17.1. The use, sale, transfer, purchase and/or possession of a controlled substance, alcohol and/or firearms at any time during the work day is prohibited.

17.2. Drug and alcohol testing shall be conducted in accordance with the substance abuse prevention policies set forth in the applicable Schedule A.

ARTICLE 18. **SAVINGS CLAUSE**

18.1. The parties agree that in the event any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void as being in contravention of any applicable law, by a court of competent jurisdiction, the remainder of the Agreement shall remain in full force and effect. The parties further agree that if any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void, by a court of competent jurisdiction, the parties shall substitute, by mutual agreement, in its place and stead, an article, provision, clause, sentence or word that will meet the objections to its validity and will be in accordance with its original intent.

18.2. The parties agree that in the event a decision of a court of competent jurisdiction

materially alters the terms of the Agreement such that the intent of the parties is defeated, then the entire Agreement shall be null and void.

18.3. If a court of competent jurisdiction determines that all or part of the Agreement is invalid and/or enjoins the District from complying with all or part of its provisions and the District accordingly determines that compliance with this Agreement will not be required in order to perform work under a Construction Contract, the Unions will no longer be bound by the provisions of Article 4.

ARTICLE 19.

TERM

19.1. This Agreement shall be included in the bid documents, requests for proposals, or other equivalent Project solicitations, which shall indicate that entering into this Agreement is a condition of the award of a Construction Contract(s) for the Project.

19.2. This Agreement shall apply until the Completion of each Project in accordance with Sections 1.3 and 2.2.

19.3. This Agreement shall become effective on the day it is executed by the District and the Council, and shall continue for a period of five (5) years. Prior to the five (5) year anniversary of the effective date of this Agreement, the District and the Council shall meet to discuss the performance of this Agreement and whether the Agreement should be extended or modified. Absent modification or unilateral termination by either the District or the Council at the close of the five (5) year term, the agreement shall continue for an additional five (5) year term(s).

ARTICLE 20.

MISCELLANEOUS PROVISIONS

20.1. This Agreement may be executed in counterparts, such that original signatures may appear on separate pages and when bound together all necessary signatures shall constitute an original. Faxed or emailed signature pages transmitted to other parties to this Agreement shall be deemed the equivalent of original signatures.

Each of the persons signing this Agreement represents and warrants that such person has been duly authorized to sign this Agreement on behalf of the party indicated, and each of the parties signing this Agreement warrants and represents that such party is legally authorized and entitled to enter into this Agreement.

20.3. The parties acknowledge that this is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

20.4. All defined terms used in this Agreement shall be deemed to refer to the singular

and/or plural, in each instance as the context and/or particular facts may require.

20.5. This Agreement constitutes the entire agreement between the Parties and supersedes all prior discussions, negotiations, and agreements, whether oral or written. This Agreement may be amended or modified only by a written instrument executed by both Parties.
