    - II. Expanded explore program
    - III. Working on the diversion efforts
    - IV. Launched the Law Enforcement Applicant Development (LEAD)
    - V. SUSD PD Sent to DOJ the Diversion comments and recommendations will receive that via email. ( Alan believes its encouraging and good step) Great outline and overall supported of the diversion.
    - VI. April was the task date for the Diversion Policy.
    - VII. Established a protocol around Mental health services
    - VIII. We are now meeting with CWA on a monthly basic and evaluating with our interactions
    - IX. We are meeting weekly with SUSD PD staff
1. Monitor Updates by Mr. Gennaco
  - I. Since we last met we issued our second report on the progress on the agreement, everyone should have received a copy of these
  - II. 30 of 74 task have been completed since the first report
  - III. Students maybe back in fall and goal is that these task will be completed
  - IV. Some of these task are around training and will take time and policy are in place to provide guidance to the trainings
  - V. Remain optimistic and have gotten a lot done
  - VI. Are we making progress towards the intent of agreement?
    - i. Yes I believe we are and believe in creating a safe environment, the agreement is comprehensive and if addressed and implemented we can meet these expectations of the administrative response.
    - ii. Upgrading the way we engage other services like mental health etc
    - iii. Use of force policy has not been finalized and not to a place where the DOJ has signed off on it
  - b. Is SUSD PD tracking police interactions with adults?
2. Membership
  - a. Who are current members? Should that list be reviewed by superintendent to make sure stakeholders are well represented
  - b. Making sure our voices and concerns are heard
  - c. We need to make a flyer and send out reminders to our group (Destiny &Dara will work on this)
  - d. We would like to meet the new interim superintendent
