Taylor Students Travel to Indiana to visit Notre Dame

Ms. Silva's 4th grade class took a trip of a lifetime to visit their adopted college of Notre Dame! We left on September 22nd and we came back on September 25th. During our time there we watched the Notre Dame vs. Duke football game! Most importantly we learned about what it takes to be a college student from our college.

We met with Father Jenkins who is the President of Notre Dame. We asked him about how to become a Notre Dame student. He said that we have to find something we are passionate about and let that guide our education every day. He also let us know that being a good person who wants to make the world better is important to Notre Dame.

Our weekend was also full of action packed fun! We got to go to the teams practice area and run drills with members of the Notre Dame football team. We also go to the pep rally which is where the football team and coach try and get all the students excited about the big game. Coach Brian Kelly even invited us on stage to sing the fight song!

We hope all the students of Taylor know that if you dream big and work hard all your dreams can come true. We can all go to the college that we want if we let nothing distract us from that goal. Go Irish! Go Taylor!
