Dear Parents,

We hope this letter reaches you in good health. As you are aware, SUSD has elected to continue distance learning beginning Monday, August 3, 2020. Consequently, the beginning of the school year will look a lot different. With your assistance, we will make this transition into computer based learning as familiar as possible to your child.

The District has been working very hard in providing the tools necessary to promote your child's learning. Perhaps the most important aspect of utilizing these tools comes with the expectation that we can successfully communicate with one another. By doing so, we can ensure that your child in all intents and purposes develops the routines and norms necessary to be successful at learning remotely.

Our goal is to provide the opportunity for your child to grow academically, socially, and emotionally. Unfortunately, exclusively learning virtually can make this difficult, but with your help, we will be able to fulfill the following expectations for the year 1) daily attendance 2) on-line professionalism – be respectful, responsible and ready to learn and 3) complete lessons/activities/assessments on a timely basis. By following these general guidelines, your child will be able to learn in a virtual environment free from distractions, and confident in building knowledge. Rules and procedures will be forthcoming.

We are excited to be a part of your child's education. If you have any immediate concerns, please contact your child's teacher through Class Dojo or by phone/email (*see below). As we progress through the school year, however, we hope you will utilize Class Dojo as our primary way to communicate. Thank you, and we hope to meet you soon as we embark on this journey of virtual learning.
