WHAT IS A SCHOOL PARENT COMPACT?

A School Parent and Family Engagement Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective Compacts:

- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Link to goals of the school improvement plan and focus on student learning skills
- Describe opportunities for parents to volunteer, observe, and participate in the classroom • Describe how teachers will help students develop those skills using high-quality curriculum & instruction

JOINTLY DEVELOPED

The parents, students, and staff of Edison High School meet annually to discuss student achievement based on performance data. Parents provided ideas and recommendations to support their student's learning during SSC and ELAC meetings. The teachers' leadership teams along with the departmental heads work on identifying ways to engage parents and provide suggestions to help them support student learning. The student leadership and council identified ways that students can be responsible for their learning.

Our School Parent and Family Engagement Policy and Compact are annually revised and approved by SSC.
