For Franklin athletics, the No Go list will be posted every Wednesday of each week and submitted to coaches for review of their players:

- Coaches will be responsible for notifying their players when they are on the No Go list.
- Players will be immediately held out from participating in any games but allowed to practice – enforced by the coach once the list is published.
 - Players can attend games but only watch and not participate.
- Players will remain out until the end of that week (Friday). If a student resolves their name from being on the list by the end of the week, then they could be reinstated only starting the following week (Monday). If a student does not
